Only those products bearing the UL Functional Safety Listing Mark for the US and Canada should be considered as being covered by UL's Functional Safety Listing and Follow-Up Service meeting the appropriate requirements for US and Canada.

The UL Functional Safety Listing Mark for the US and Canada generally includes: the UL in a circle

symbol with "C" and "US" identifiers:  the word "LISTED"; the words "Functional Safety"; a control number (may be alphanumeric) assigned by UL; and the product category name (product identifier) as indicated in the appropriate UL Directory.

Look for the UL Functional Safety Listing Mark on the product..
