

Nexus Training School Northeast (Derry, NH)

OVERVIEW

The Nexus training school has curriculum designed for service, engineering and sales personnel looking to increase their knowledge on Fireye Nexus efficiency controls. Hands-in training is provided. At the conclusion of this course the attendee will have experience commissioning and troubleshooting the NXF4000 and NX6100 controls.

Our skilled instructors have years of experience in industry and are experts on the products covered.

Each attendee will receive a Fireye polo shirt and certificate recognizing course completion.

Additional training dates may be offered by Fireye at various location. Classes and dates are published on the Fireye website: www.fireye.com

Nexus products/topics covered:
